

## Covid-19 Procedure For Service Visits And Installations

1. We will keep a minimum of 2 metres away from customers, adhering to social distancing guidelines at all times.
2. We will wear a mask and gloves during the visit for both our protection and customers safety.
3. If anyone appears unwell or is not sticking to the guidelines as agreed, we will advise the customer that we do not feel comfortable to continue and will exit the site. We will advise that the work will be re-booked at a later date.
4. No waste will be left on site. All waste will be taken with us.
5. Job sheets will not require signatures.
6. Paperwork for installations will be sent via email.
7. We will adhere to any additional safety requirements requested by the customer.
